(the "Journal")

Proposed Title of the Contribution:

(the "Contribution")

Author(s):

(the "Author(s)")

To: Nature Publishing Group, a division of Macmillan Publishers Ltd ("NPG")

- In consideration of NPG evaluating the Contribution for publication (and publishing the Contribution if NPG so decides) the Author(s) insofar as they own or control the applicable rights or otherwise have the right or authority to grant the license set forth below, grant to NPG a non-exclusive right and irrevocable license:
 - to edit, adapt, publish, reproduce, distribute, display and store the Contribution in all forms, formats and media whether now known or hereafter developed (including without limitation in print, digital and electronic form) throughout the world;
 - to translate the Contribution into other languages, create adaptations, summaries or extracts of the Contribution and exercise all of the rights set forth in (a) above in such translations, adaptations, summaries, extracts and derivative works;
 - to license others to do any or all of the above; and
 - to re-license article metadata without restriction (including but not limited to author name, title, abstract, citation, references, keywords and any additional information, as determined by NPG).
- The Author(s) grant to NPG for the full term of copyright and any extensions thereto the same rights that have been granted in respect of the Contribution as set out in clause 1 above, in and to all supplementary material in any form (including without limitation images, videos, tables and/or graphs) submitted by the Author(s) to NPG with or in connection with the Contribution ("Supplementary Information").
- The Author(s) warrant and represent that:
 - they are US Government employees and they prepared the Contribution and the Supplementary Information in the course of their duties as US Government employees and are authorized to grant the rights set out herein. If however the Contribution or the Supplementary Information includes materials from other sources, the Author(s) warrant they have obtained the necessary rights from the owners of the copyright
- in all such materials and hereby license to NPG the rights to use such materials in accordance with the grant of rights in clause 1. Copies of all such grant of rights from third parties are attached to this license;
- all of the facts contained in the Contribution and the Supplementary Information are true and accurate;
- the signatory (the Author or the employer) who has signed this Agreement below has full right, power and authority to enter into this Agreement and grant the rights herein on behalf of all of the Authors and the US Government;
- nothing in the Contribution or the Supplementary Information is obscene, defamatory, libelous, violates any right of privacy or publicity, infringes any intellectual property rights (including without limitation copyright, patent, database or trademark rights) or any other human, personal or other rights of any person or entity or is otherwise unlawful; and
- nothing in the Contribution or the Supplementary Information infringes any duty of confidentiality which any of the Author(s) may owe to anyone else or violates any contract, express or implied, of any of the Author(s), and all of the institutions in which work recorded in the Contribution or the Supplementary Information was created or carried out, have authorized such publication.
- The Author(s) shall cooperate fully with NPG in relation to any legal action that might arise from the publication of the Contribution and/or Supplementary Information and the Author(s) shall give NPG access at reasonable times to any relevant accounts, documents and records within the power or control of the Author(s).
- If the Contribution is rejected by NPG and not published, all rights under this license shall revert to the Author(s).
- This Agreement shall be governed by the laws of the State of New York without regards to any conflict of law provisions. The parties submit to the exclusive jurisdiction of the courts located in New York, New York.
